Faculty Development Program & Workshop

Organized by Chetana's Institute of Management and Research, Mumbai

In association with Western Region Center, ICSSR-Mumbai

4th to 12th March, 2024

About the Institute- Chetana's Institute of Management & Research:

Chetana Trust has been at the forefront of higher education in Mumbai since its inception in 1969. With his philosophy of "Education for all", The Founder President of the Trust, Late Shri Madhukarrao Chaudhari believed in delivering quality education as well as contributing to the overall welfare of society. Pursuing the same vision, Chetana's Institute of Management & Research (CIMR), has been imparting quality management education programs to meet the industry requirements. CIMR has a legacy of 27 glorious years offering AICTE-approved, NBA Accredited and AIU Equivalent PGDM and PGDM Marketing programs. CIMR is also a member of the Association to Advance Collegiate Schools of Business, (AACSB) a non-profit global membership association for the business education industry. The Institute has been consistently ranked amongst the top 50 private B- schools in India and amongst the Top-10 in Mumbai by The Economic Times, Corporate Dossier issue, and The Week. With a focus to 'Develop ethical business leaders', Chetana is a strong torch bearer of many CSR activities that it undertakes with profit and non-profit organizations. Chetana's Institute of Management & Research (CIMR), through Chetana's Centre of Excellence (CoE) offers Management Development Programs, Training Programs, and Consulting services and undertakes sponsored research projects for different stakeholders. The strong industry collaboration on various fronts is aimed at bridging the Industry-Academia gap through various engagements and strategic collaborations.

Indian Council of Social Science Research:

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. ICSSR provide grants for projects, fellowships, international collaboration, capacity building, survey, publications etc. to promote research in social sciences in India. Documentation Center of ICSSR - National Social Science Documentation Centre (NASSDOC) - provides library and information support services to researchers in social sciences.

Western Regional Centre (WRC):

The Western Regional Centre (WRC) with the approval of the Government of Maharashtra was established in January 1973 in collaboration with the University of Mumbai on the new campus of the University of Mumbai at Vidyanagari. The WRC, in pursuance of ICSSR aims and objectives, conducts research methodology courses, seminars, and workshops, receives foreign visitors, administers study grants, acquires books and other material on a deposit basis, purchases books and journals, maintains a bibliographical unit, operates clearing-cum-documentation services, provides hostel facilities, etc. In addition to the seminars and lectures conducted by foreign social scientists, the WRC organizes and aids seminars, workshops, conferences, lectures, and the like in different parts of the western region.

About the FDP and Workshop:

The effectiveness of our higher education system depends on teachers with knowledge of Academics, Assessment & Evaluation, Pedagogy, Research, and Innovation in teaching & learning.

The National Education Policy (NEP) 2020 emphasizes the importance of quality education and engagement of faculty in achieving outcome-based education (OBE). Therefore, it is vital to create a pool of teachers who will shape the next generation. Teacher's Training is an activity that requires multidisciplinary perspectives and knowledge, the formation of concepts and values, and the development of a research mindset.

In pursuance of the above approach of NEP (2020), Chetana's Institute of Management & Research is conducting a Faculty Development Program on Transforming the Higher Educational Landscape and a Workshop on Advanced Research Techniques.

Objectives of the FDP and Workshop:

- To help educators, academicians, and researchers understand the transformation in the higher education landscape.
- To understand the challenges in the implementation of innovation in teaching, learning, and evaluation in higher education.
- To train teachers in Advanced Research Techniques using SLR and Smart PLS.

Pedagogy:

The FDP will be facilitated through different pedagogies such as lecture method, case analysis, interactive sessions, self-study assignments and research workshop.

Themes:

NEP, Mapping Revised Bloom's Taxonomy

New Age Learning and the Role of Technology

Simulation and Experiential Learning

Assessment Techniques and Tools

Advanced Research Methods
